

How to use "Saitama City Free Wi-Fi"

Getting Started

There are two ways to connect to the Wi-Fi (For computers, only Method 1 applies)

Method 1 Register as a user in your browser and connect to the network (○ Smartphone, ○ Tablet, ○ Computer)

Method 2 Register as a user with the Japan Connected Wi-Fi app and connect to the network (○ Smartphone, ○ Tablet, X Computer)

<Usage Warnings>

- Each session is 60 minutes long. There is no limit to the number of sessions you can use in a day.
- If you don't receive a confirmation email after registering your email address, please check for the following causes:
 - Cause 1: Incorrectly-entered email address (※) If you have compliance settings in place, please authenticate the domain "@wifi-cloud.jp". For further details, contact the manufacturer of your device or telecommunications provider.
 - Cause 2: Confirmation email in spam folder
 - Cause 3: Confirmation email deleted by email provider's spam filter, etc. (※)
- For improved performance, this service is NOT encrypted. DO NOT use online banking or other services that require the input of personal information like credit card numbers while connected to this network. See "Saitama City Free Wi-Fi Terms of Use Agreement".

Accessing the Wi-Fi
